

Exceptions Information

An applicant or candidate may request an exception to any STA policy or procedure; however, an exception will not be granted for the following requirements:

1. a sandplay process with an ISST certified/teaching member.
2. The required number of consultation hours with an ISST certified/teaching member.

To request an exception, put your request for an exception in writing and mail to the STA office. It will then be forwarded to the Exceptions Committee for review.
