The ISST is a non-profit association formed August 13, 1985 with its seat in Zollikon/Zurich, Switzerland. Its purpose is to continue and develop Sandplay Therapy internationally on the basis of the work of Dora Kalff, the founder. Its purpose is accomplished by providing a meeting ground for exchange of knowledge and experience, by operating training programs, and by encouraging research in Sandplay Therapy. The *Sandplay Therapists of America* is an affiliate of the *International Society for Sandplay Therapy*.
